The mission of the Mental Health Association is to promote mental health, including the integration of physical healthcare, to improve the care and treatment of individuals with mental illness, and to remove the stigma associated with emotional and mental disorders.

We, as a community organization, accomplish our mission through advocacy, education, prevention, early intervention, treatment, and service.

# Community Support Services

For individuals living with a mental illness to obtain affordable housing.

#### Community Support Services

Community Support Services (CSS) aims to increase accessibility to quality, affordable housing in Essex and Morris Counties to individuals diagnosed with a serious and persistent mental illness while providing comprehensive, highquality mental health services.

CSS believes that support and access to a safe, affordable living environment, an individual in recovery will be able to live in the community and achieve a higher quality of life.

The goal of CSS is to assist individuals who are currently hospitalized, homeless, or living in sub-standard housing in gaining access to affordable housing.

# 

CSS is open to individuals 18 and older, living in Essex or Morris County, who are diagnosed with a mental illness.
