

## A PRESENTATION ON MENTAL HEALTH

# “IN OUR OWN VOICE”

This NAMI (National Alliance on Mental Illness) presentation will change attitudes, assumptions and ideas about people with mental health conditions. It will provide a personal perspective as leaders with lived experience talk openly about what it’s like to have a mental health condition. They will discuss what happened, what helps and what’s next in their journey with mental illness.

**Meghan Murphy, Prevention Consultant, Mental Health Association of Morris/Sussex  
NJ Statewide Student Support Services (NJ4S)**

This program provides an array of social, emotional and mental health services supporting students and their parents/caregivers and is provided at no cost. It is centered around the voice, experience, and needs of students and their families and is funded by the Department of Children and Families.
