## Projects for Assistance in Transition from Homelessness

For individuals who are homeless, living with a mental illness.

## Projects for Assistance in Transition from Homelessness

Projects for Assistance in Transition from Homelessness (PATH) provides outreach, intensive case management, and housing services that will enable adults who are homeless or at imminent risk of homelessness, to engage in community-based services.

PATH's geographic region includes all areas in Essex and Morris Counties.

PATH is designed to bring treatment and support to those who do not have access to traditional services and have little or no support in the community.

### ELIGIBILITY

PATH is open to those 18 and older who are diagnosed with a mental illness and a substance use disorder, who are homeless or on the verge of homelessness.

### HOURS

PATH Essex hours of operation are 8AM to 5PM Monday through Friday.

PATH Morris hours of operation are 9AM to 7PM Monday through Friday.

In order to meet the needs of the individuals in recovery, the PATH staff members are available 24 hours a day, seven days a week, including holidays and weekends. This service is available for support and crisis intervention, including on-site and off-site supports via telephone and collateral contacts with caregivers and acute care service providers.

### **PATH services may include:**

- Street Outreach
- Consumer Psycho-education and Support
- Linkage to temporary and permanent housing
- Assistance obtaining financial entitlements (SSI/SSDI) and medical insurance
